Ekin also makes philanthropy a priority.

He is the creator of i Care About Me (iCAM), a nonprofit organization dedicated to empowering youth to make a positive impact in their communities and beyond. iCAM's outreach includes various programs and events, including the newly launched Hip Hop Study Hall. Born and raised in the Bronx, New York, Ekin honed his craft on a set of turntables gifted to him by his father.

His first professional DJ gig took him across the pond to the UK where his penchant for mixing on-trend, international sounds was born.
